for Immediate Release
10 December 2011

The HKIS Annual General Meeting 2011 General Council 2011-2012 Elected

The Annual General Meeting (AGM) of HKIS was held on 9 December 2011. Ms Serena LAU was elected as the 2011-2012 President of the HKIS taking over from Mr WONG Bay, who would retire as Immediate Past President.

The AGM also announced that Mr Stephen LAI and Mr Simon KWOK were elected as Senior Vice President and Vice President respectively, while Mr Robin LEUNG and Mr Gary YEUNG were elected as Honorary Secretary and Honorary Treasurer.

Ms Serena Lau is a Fellow of HKIS. She is currently the Managing Director of RHL International Group. She has been contributing to the construction and real estate industry for many years. Apart from the service at HKIS, Serena also takes up a number of roles at various public and private organizations. Besides, she also helps nurturing the youth for the industry by actively participating in the services at tertiary institutions.

In the AGM, the incoming President Ms Serena LAU said, "HKIS has been promoting the surveying profession over the years. In future, the Institute will further increase its participation to public affairs, so as to strengthen public's comprehensions towards surveyors as well as the surveying profession. The new General Council will continue to review and fine-tune professional code of practices from time to time, maintain the standard of the surveying industry, and stay united to face the forthcoming challenges."

THE HONG KONG INSTITUTE OF SURVEYORS

About the Hong Kong Institute of Surveyors

Established in 1984, The Hong Kong Institute of Surveyors is the only professional organization representing the surveying profession in Hong Kong. As of November 2011, the number of members reached 7,967, of which 5,457 were corporate members. The Institute's work includes setting standards for professional services and performance, establishing codes of ethics, determining requirements for admission as professional surveyors, and encouraging members to upgrade skills through continuing professional development.

The Institute has an important consultative role in government policy making and on issues affecting the profession. We have advised the Government on issues such as unauthorized building works, building safety campaign, problems of property management, town planning and development strategies, construction quality and housing problems. We are working on amendments to standard forms of building contract and have issued guidance notes on floor area measurement methods.
